SOURCE, OPERATIONAL DATA, AND COMMENTS.

SUBJECT: Rumor Regarding Whereabouts of Raul Wallenberg in 1946-48.

The Station cannot judge the reliability or the significance of this information, but considered that it might be of some slight value to Headquarters. The report does not make it clear whether Wallenberg presumably was hidden in the Engfeldts' residence or simply in the same apartment building. It says, in Spanish, "Pudo observar que en la misma casa estaba escondido Raul Wallenberg. . ."   further does not appear to know the exact date or city. We did not consider this worth an additional query, but possibly we could get more details in the unlikely event that Headquarters is interested. He did not even state whether or not this Swedish girl still works for the Engfeldts.
