MEMORANDUM

To : INR/DDI - Emerson Brown
From : EUR/NE - Ronald E. Wood ✓
Subject: Wallenberg Case

Mats Bergquist of the Swedish Embassy called me today, March 28, to ask for more assistance on the Wallenberg case. The Swedes are interested in talking to two Soviet emigres (or possibly defectors) to see whether they know anything about Wallenberg. The two are Boras Rabbot, formerly Secretary of the Soviet Academy of Science, and Mr. Khokhlovs, who is currently teaching at California State College in San Bernardino.

The Swedes have three questions:

- 1 -- Do we have objections to their discussing the case with either or both of these individuals?
- 2 -- If not, can we provide the addresses and telephone numbers of either or both?
- 3 -- Should we prefer that the Swedes not discuss the case with either or both, would we be willing to pose questions in their behalf?

Bergquist also asked me about the status of his request for information of February 2, which I transmitted to you in a memorandum of the same date. I look forward to hearing from you.
