MEMORANDUM

To : INR/DDC - Mr. Brown
From : EUR/NE - Ronald E. Woods, Acting
Subject: Wallenberg Case

The Swedish Government has once again asked for information which may be available relevant to the Wallenberg case. This was done by Embassy Political Counselor, Mats Bergquist during a call October 27.

Two questions from the Swedish Government are attached. The second relates to a report the Swedes have from a Bulgarian source passed to a member of the Swedish Academy of Science which indicated Wallenberg may have been interned in a mental hospital in Irkutsk.

I would appreciate your assistance in determining what information is available from the US Intelligence Community in response to these questions, which could be passed to the Swedish Government.
