\* Memo for the Record (will write later)

I called Bob Fennell +  
Dick Thompson at State and told  
them that:

1. We have no evidence that  
any labor camp or anything similar  
was on Wrangle Island prior  
to 1960 &

2. We cannot substantiate  
info on special ward in Hospital on  
Iskatch.

I told him we would put  
the response in writing if need  
be. I also said that an  
unclassified report on Wrangle Island  
is being written in hopes of putting  
to rest all further speculation about  
the place. (FYI: this from [ ] [ ])
