Director John M. Deutch
Central Intelligence Agency
Washington, D.C. 20505

Dear Director Deutch:

I am writing to request the declassification of Central Intelligence Agency documents which relate to the disappearance of Raoul Wallenberg. This request is made on behalf of Dr. Guy von Dardel, Raoul Wallenberg's brother, and others working in conjunction with him. The declassification of these documents would greatly assist the many organizations and private individuals investigating Raoul Wallenberg's whereabouts after World War II.

As you know, Wallenberg was a Swedish official responsible for saving tens of thousands of Jews in Nazi occupied Hungary during World War II. After the war's end, Wallenberg was apparently arrested by the Russians and on January 31, 1945, charged as an American spy. Since his disappearance, there have been many reports of Wallenberg's survival in Russian prisons.

It has now been over fifty years since Raoul Wallenberg's disappearance. It is long past time to release all documents which may shed some light on Wallenberg's whereabouts. Specifically, I request that two pages relating to Raoul Wallenberg be declassified (i.e. without redactions). Copies of these documents with redactions are enclosed. If this is not possible, I ask that I be able to view the original versions in person. Thank you.

Sincerely,

Carl Levin
