OFFICE OF STRATEGIC SERVICES  
MISSION FOR GERMANY  
United States Forces  
European Theater

11/74

4 August 1945

TO : AB/012, THIRD ARMY  
FROM : AB/016, AMZON  
SUBJECT: Vetting of Kuno WIRSICH

1. It will help the contemplated field investigations in Berlin and London if we could have more information concerning WIRSICH's Communist friends mentioned in paragraphs 11 and 12 of the XYZ-1 form. For example, are ALEXANDER-KATZ, GOLDE, etc., living in Berlin? For those members of the cell who went to the UK, have you any inkling as to when they went and their present status or location in the UK?

2. You can see that through these contacts in Berlin and London an excellent check can be obtained on WIRSICH's story that he penetrated the Waffen SS in 1939.

3. The XYZ-1 forms on WIRSICH, ZIEGLER and PIFF are the most professionally prepared ones we have received from any station thus far.
