TO : AB/030, BERLIN
FROM : AB/016, AMZON *AG/p14*
SUBJECT: Further info facilitating field investigation of
Kuno WIRSICH, prospective X-2 agent

1. Reference is made to our request of 4 August 1945 for information confirming some of the details of Kuno WIRSICH's story.

2. In addition to the information attached to our 4 August request, we are forwarding supplementary data which might be of some assistance in tracking down the individuals on whom we desired confirmation.

3. Much of this information is irrelevant to a Berlin investigation. However, the additional notes on Friedrich ROTTER, Dr. ALEXANDER-KATZ, Evelyn ROBERTSON, Walter KOHN @ KOCH, Hans GOLDE and Rolf STRIEM might prove helpful in identifying these people and WIRSICH. Furthermore, should some of them be available for interrogation, the points listed are those which the recruiting field station desires emphasized.

4. We should be very much interested to know if you have had any success whatsoever in locating any of the references on WIRSICH. Perhaps this type of case is beyond the facilities for investigation at your disposal.
