CAMONILE

SC Munich

Chief agent proposed for Operation ALCATRAZ (qv), aimed at penetration of the intelligence service of the Communist Party in Bavaria. Subject joined the Allgemeine SS in August 1933 on instructions from a Communist underground cell, collecting intelligence in Germany for the Communist Party. This project involving subject was first conceived in July 1945 when subject was under interrogation at 3rd Army Interrogation Center. Due to a number of difficulties subject was kept in detention until Christmas 1945, but has not yet been denazified. Until he is formally cleared, he cannot obtain a position (he is a lawyer) nor be sufficiently active to provide much information. As soon as he is cleared, his SC Munich case officer will assign him his project, as mentioned in para. 1.
