MEMORANDUM

TO: Mr. Irving Sherman  
FROM: R. L. Brittenham

Concerning our phone conversation this afternoon, the individual with whom Burns is anxious to improve his relationship is Dr. Wirth. Dr. ~~Wirth~~ would like to have any information or news about Dr. Bruening, who apparently is at present at Harvard University. Burns states that any information about Dr. Bruening would be helpful, particularly some short message from him. I trust that this can be passed on to Dr. Bruening in some manner, so that the relationship between ourselves and Dr. Wirth remains undisclosed.
