PERTINENT INFORMATION					
<p>1- WOLFF accompanied to Zurich by DOLLMANN, Sturmbandfuehrer WENNER his military expert, ZIMMER and Italian go between Baron PARRILLI. I only consented to see WOLFF who came to my apartment evening of the 8th with Swiss intermediary. 476 and I then talked to WOLFF alone. 476 later saw WOLFF and DOLLMANN.</p> <p>2- WOLFF is a distinctive personality, our reports and impressions indicate he represents more moderate element in Waffen SS, with a mixture of Romanticism. Probably the most dynamic personality in North Italy and most powerful after KESSELRING.</p> <p>3- WOLFF stated that time had come when some Germans with power should act to lead Germany out of war and to end the useless material and human destruction, that that he was willing to act and felt he could persuade KESSELRING to join, that together with KESSELRING, HITLER and HIMMLER would be powerless to take effective counter measures, thus distinguishing the situation from that of July 20.</p>
