CSW, ZIPPER: Headquarters Field leader for the CSR

Reference: MOI-W-7868

1. As other correspondence will have made clear by now, CSW is WEBER (Czechoslovakia, WEBER). His true name will be known to you.

2. We sometimes hesitate to use the aliases of key ZIPPER personnel in operational memoranda, because these persons are often widely known by such names. On the other hand, ZIPPER has not seen fit to give V-numbers to everyone, to facilitate reporting for themselves as well as for us; and both their numerical staff designators and such indicators as CSW are changed too frequently to warrant our sending an entire code listing. The best solution seems to be to continue to use the aliases unless ZIPPER takes the logical step of assigning V-numbers to all headquarters personnel.
