M/R for UJ DREADFUL File:

Note letter from Slovak Committee of Liberation member Karl MARKOVIC to Stefan VALKO, at one time considered by CSW as agent material, in which MARKOVIC claims knowledge of an American espionage service which recruits young men and send them across the Czech border on intelligence missions, but that in the meantime the Czech authorities would have been warned and all Czech gendarmerie stations notified in order to make arrest certain. Allegedly the American group concerned received \$500 for every person so delivered. MARKOVIC claims to know of 7 persons who have been so delivered.

Above in att to EGSA-138, 240 VALKO.

Note: If UJ DREADFUL should be engaged in something like the above, this would neatly explain his strong reaction to both the Espionage question (6) and the serious criminal act question (12).
