PULL 4909 (IN 34785) dated 5 February 1953 (UJ DROSHKY)
~~XXXXXXXXXXXXXXXXXXXX~~ POB proposes to ask UTILITY to include
UJ DREADFUL as a candidate for the UJ DROSHKY program, thus giving POB a
chance to check his heart condition and to give him a re-run on Carriage.
The chance to solve UJ Dreadful may be a potent selling point for the new
selection of UJ Droshky candidates idea, and is certainly attractive from
our point of view. The decision to include UJ Dreadful would involve
careful handling by a briefed operator. If not broken on the second run,
the inclusion in the US part of UJ Droshky would lead UJ Dreadful to a
point in his training where he must explain any discrepancies fully, even to
the point of submission to other interrogations.
