1. The following information was recently given verbally by [] to []

2. CIC Linz is running an alleged double agent case known as Project KNIGHT. A CIC report of 23 July 1953 states that the D/A gave a female member of the RIS in Urfahr a list of transients who had stayed at the Hotel Schwarzen Baer in Linz during the week 29 June- 5 July 1953. Among these names is that of Richard PARKER, listed as born 6 September 1907 in Prague, CSR, economist, with permanent address Berlin W 15, Glesebrechtstrasse 12, passport listed as Temporary Travel Document 0737330, dated 9 January 1953. PARKER's citizenship was listed as German. His Berlin telephone number was listed as 725208. He registered at the above-named hotel on 3 July 1953.

3. The identity is definite. POB obtained the TTD in question, and was aware that PARKER was in Austria at the time. It seems to us that the matter would only take on particular significance if it could be determined that the RIS D/A was instructed by his Soviet handlers to obtain the hotel list in question, indicating a possible check on PARKER's movement. We are asking [] to inquire further concerning this point.
