RYBAT/⁴intercepts on Reile:

Reile gets call from "WEBER" on 11 January 1962. Purpose is to arrange a meeting. Conversation is quite brief and business like but one has impression they ~~xxxx~~ see each other regularly in a business context. They agree upon 1030 hrs on 12 Jan at the Roemerschanz. W asks if R is bringing something with him and the answer is affirmative. Weber says he has something too.
