ZAKO, General (his group)

10 Aug 67

[ ] Tape #132

- Q: Do you have any officers who ran operations against General ZAKO's group #132
- A: HAZ. A sub-section in the counter-intelligence service operated against it, as a defensive counter-intelligence work, headed by HAZ under this sub-section. Earlier there was another chief of this sub-section ANPAD, Kourad, Lieutenant Colonel. He is a famous figure but he was dismissed from the AVH. He belongs to the other part of the alphabetic list as a former AVH officer. This sub-section as far as I know, organized something, but I don't know in detail what and how.
- Q: Well that's what this list is and I just wanted to know if any of these names familiar where you might have heard HAZ talking about, "Oh, we just got so and so".
- A: I don't have a concrete name in connection with HAZ.
