MAV-628
September 1948

French IS - B/DOC - plans call for a Hungarian Intelligence group consisting of 100 to 200 men headed by Subject; most of these men are now stationed in the American Zone of Germany and Austria. This group is also to include an offensive intelligence unit, the aim of which would be to penetrate the officers corps of the new Hungarian army.

In Paris the Christian Democrats are quite pro-HAPSBURG, especially the priest, Imre GASCER, head of the Hungarian Refugee Bureau. One BARINKOVICH (?) of the Christian Democrats is opposed to OTTO. GASCER is said to have close relations also with the FELLOWSHIP of Gen. ZAKO. The FELLOWSHIP is strongly in favor of a restoration, according to Source.

WFF-3650 Subj. coming to Paris. Source suggests that, since his group is the only one that is actively in touch with the underground in Hungary, he should be put in touch with competent American quarters rather than with French bureaux.
