PERTINENT INFORMATION				
<p>.....<u>General Andras ZAKO in Milan.</u></p> <p>General ZAKO (last Chief of Intelligence Service of the Hungarian General Staff 1944/45, leader of the Military Group - Magyar Harcosok Bajtarsi Kozossege - of Innsbruck, living in Sallbad Hall (Tyrol) came to see in Rome Baron Gabor APOR (Ex Holy see Envoy of Hungary, Italy Representative of National Council) and Ferenc SIMONFAI (ex Red Cross Representative in Italy, Military Group Representative in Rome). Coming from Rome he stayed for three days in Milan and came to see me. The aim of his visit in Italy was to contact Italian Intelligence circles (Carabinieri in Rome) and reorganize Military Group as former Representative Capt. Bela KOROS was not enough skilled and active. He had a talk with Major Janos SZAKVARI (Brescia) who will be the head of the Italian Group, while two branches : "Confidential"(Intelligence-Ferenc SIMONFAI) and "Self defense" (Defensive service) will be set up.</p> <p>General ZAKO was very satisfied with the first year activity of the Military Group: they have abt. 12.000 organized members all over the world. Regular homeland contacts are assured. May 15, he is going to London to see General ANDERS and from there he will fly to Madrid to meet the Spanish General Staff Chief in order to prepare quarters for the Military Group if war would come. - He is sure that present chaos can be resolved only by war, although it is uncertain when it may outbreak. Tension is great and also smaller incidents can provoke it. He do not beleived that Russia may intervene directly in Yougoslavia, but partisan actions are probable. It is true that we can not observe Russian war preperatives along the European frontiers, but inside of Russia and in the Satellite countires are feverously preparing and completing indirect war potential. Russian tanks can move in three days from inside Russia and three or two airborne divisions can be dropped in Marseille or Milan with- in 24 hours. Russian attack will be tragic for Europe, before German Army could be reorganized. Without German Army Europe can not be defended. - Having had a very pleasant chat and "tour d'horizon", he did not make concret proposals to me. After his vist in Madrid, he will pass again in Milan and promised to see me.</p>
