Excerpt of pertinent information :

(b) The second plan (Autumn 1944)

In the autumn of 1944, when the military situation became more serious, UGO suggested that the MONTANELLI plan might be revived, but that the attempt should this time be made from GERMANY, and that MONTANELLI's wife, who was still in custody at BOLZANO, should be used to establish contact with her husband.

Source mentioned the proposal to RAUFF but stated that he himself did not wish to be involved in the matter and that is his opinion it should be left to Abteilung VI. RAUFF referred Source to ZIMMER, head of Abteilung VI at MILAN, and the latter contacted Amt VI in BERLIN concerning the possibility of allowing MONTANELLI's wife to return to her parents at INNSBRUCK and then to join her husband in SWITZERLAND. ZIMMER later told Source that either he or VERONA would take the matter up, but nothing came of the project."
