<p>To LLS and CHAPIN from 154</p> <p>The Chief of X2 Washington formally notifies that ARADI appears to constitute a major threat to SICE security and that we should be well advised to exclude him from his present access to plans and files of SICE, including the DAY and DAWES missions. Please take this action immediately.</p> <p>There is no objection to continuance of ARADI's employment in an advisory capacity, also for Vatican contacts, unless you feel such source is already so covered that ARADI will clutter up the picture.
