To: Miss Sherry Petersen

As usual I have to ask you dear Sherry if I need something because I can be always sure that you will take care certainly.

Now in my rush at the last time at Caserta I have forgotten something. 1/ Expences in Milan 2/ Expences concerning my Rome Vat. activity 3/ to notify Finances to hold my pay. At ~~the~~ 1st June I did not draw a cent from my salary, and I want that finance Office should hold it.

Attached a/ expence notes b/ two blank sheets with my signature if it is necessary for receipts. c/ an envelop. If the money is collected, may I ask you to put the money in the envelop, and send it to Rome as soon as possible.

Many thanks and kindest regards

Zsolt Aradi
