Dear Reid:

Just received your note about Aradi. I should be glad to have a chat with him and keep his problem in mind. I don't want to encourage you to hope for results however. Apparently the Hungarians have a lousy reputation at Time-Life. There have been scores of them pestering the various departments and being obnoxiously persistent. You know how they can be. Still it may be that a superior character like Aradi might have a chance one day.

Give my regards to the boys - in the front and back rooms

Sincerely

Phil
