

THE ROCKEFELLER FOUNDATION  
49 WEST 49th STREET, NEW YORK 20

August 21, 1945

Dear Sir:

The Officers have received your hand-written communication of July 15th regarding Stasys (Stanley) Zakevicius and personally wish they were in a position to promote a real solution in such circumstances.

To be other than honest and realistic would be unfair, however, and the hard facts are that (1) the Foundation presently has no relief program (2) it is likely to be a few months yet before our prospective Divisional Representative can even begin to reconnoiter the total European needs and opportunities in the Social Sciences.

No one knows better than you perhaps the problems involved in a permanent solution for some of these displaced scholars. Rather than run the risk of raising hopes beyond fulfillment, I am accordingly writing only to you.

Sincerely yours,

Roger F. Evans
