2. I am attaching a copy of [REDACTED]'s memorandum dated 5 December 1951 to [REDACTED] which is entirely self-explanatory. Your attention is invited to the fact that [REDACTED] made a very careful examination of the instruments in question and his comments are set forth in his memorandum.

3. If you have no further use for the literature, I would appreciate it if you would return it to this office where we can place it in our technical files.
