# (U) Message from the Director: The Start of Our CFC Campaign

UNCLASSIFIED

Team,

Today we launch the annual Combined Federal Campaign (CFC) at CIA. The theme this year, “Show Some Love,” is fitting for our workforce. We work selflessly for others every day as we carry out our mission, and we apply that same rigor when it comes to improving the lives of others. So it comes as no surprise that our team is consistently one of the largest contributors to CFC.

There are a few changes this year that apply to CFC across the U.S. Government. The Agency may no longer accept cash donations or host fundraisers. This means, for instance, that bake sales and silent auctions are not allowed. However, we may host events that raise awareness of CFC. For example, we may host the cutest pet contest online or hold cookie contests to generate interest in CFC. If you have a great idea for an event or want ideas on how to continue with your favorite events, please reach out to our CFC Loaned Executive, (b)(3)  
(b)(6) or submit your proposal [here](#).

I know we have all been struck by the images of the effects of the recent hurricanes in Texas, Florida, Louisiana, and Puerto Rico, as well as the earthquake in Mexico. CFC gives all of us the chance to improve the lives of those in need—here at home, across our nation, and around the world. Please consider volunteering or donating to the CFC charities of your choice. Even if you contribute a dollar a pay period, you are making a difference.

With thanks,

Mike
