This is what I have, in EST:

4/29  
0820 POTUS gives go for mission  
1500 nat sec advisors finalize plan

5/1  
1530 raid  
1532 POTUS in sit room  
1550 POTUS told UBL is tentatively IDed  
1901 POTUS told high prob that it was UBL  
2030 POTUS gets further briefings  
1135 POTUS addresses nation

5/2  
0110 UBL sea burial  
1100 DNA confirmation

Late afternoon with final confirmation occurring after the WHCA, which would be fairly late EDT, right?

Hi All - Just wondering if you all are doing anything this weekend? We are thinking of tweeting out the raid as it happened. I wanted to check if you all had a timeline of the raid to make sure it matched ours. Is there and other social media person over there I should check with?
