ADMIRAL:

I have searched our files and have had a check made of the Executive Registry log and Central Records file and the only document pertaining to the "turn over of duties of DCI" is the copy of letter signed by the President to you, dated 30 April 1947 — exactly as draft attached.

Copy of the signed ltr was forwarded to Central Records file and 2 copies were sent to BuPers for inclusion in your official jacket. There is a copy in your "personnel file" together with copies of the Presidential nomination and the Oath of Office.
