Re: Charter Flight - San Francisco to Honolulu  
and Fares for CNRRA Air Transport Pilots.

Dear Sirs:

As advised over the 'phone, UNRRA, who are responsible for transportation of the movement of this personnel to Honolulu, are exempt from Federal Transportation Tax.

I was not aware of this exemption at the time payment was made for the charter trip and additional seats for six (6) pilots from the West Coast to Honolulu.

I am enclosing necessary Tax Exemption Certificate, and would appreciate refund of \$1,593.00, payment made to you in error and made up as under:

Charter trip, San Francisco to Honolulu.....	\$1,312.50
Fares: 6 pilots .....	175.50
1 round trip for Mr. Clayton .....	52.50
1 extra round trip overpaid .....	<u>52.50</u>
	\$1,593.00

I would appreciate a statement from you regarding credit you are holding for my account.

Yours very truly,

Doreen Lonborg,  
Executive Secretary,  
UNRRA Air Transport
