26 March 1948

HR70-14 OGA

Col. Hyde concerning psychological warfare research.

Col. Pierce, Office of Sec Army, reference background information on coordination of intelligence, etc., for use in speech to be made by General Irvine.

Col. Galloway and Mr. Duggan reference passes to "Q" Building..

General Sibert reference the special handling of Soviet Press and Periodical summaries.

Mr. Davies, State, called to advise he had talked with Mr. Bohlen who regretted that he could not act in the matter as requested by Deputy Director on 25 March. Mr. Davies suggested that since there will probably be continuing cases, it would be best to make arrangements to handle at the "very top".

Mr. Jacobus, National Security Resources Board, advised that he was currently making a study on censorship planning — as discussed by the Deputy Director and General Todd on 25 March. That when the Deputy Director returns from trip in about ten days, he will contact Mr. Jacobus for briefing of progress on study. (Nat'l Defense x 72633, Pentagon).

Lunched with Director, Col. Galloway, Mr. Allen Dulles, Mr. Robert Blum, and Mr. Matthias Correa.

Briefed Mr. [] on background information regarding conference to be held with Mr. Constantine Barsky on Saturday, 27 March.
