MEMORANDUM FOR THE RECORD:

At 0900 this date I called Mr. Constantine Gregorevich Barsky at the Carlton Hotel, Washington, D.C. (Room 732) and arranged for a meeting at 1000.

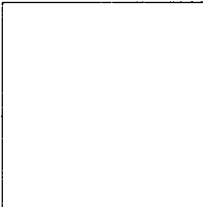

At 1000 accompanied by Mr. "Brackett" ( ) I met Barsky in his hotel room. We discussed his family background and connections and then I left Barsky and "Brackett" to continue the conversations.

I had previously directed "Brackett" to arrange a contact in Germany with Barsky's group regardless of the trend of his conversations with Barsky.

Before leaving I informed Barsky that any matters and any details could be discussed with "Brackett" as though they were being discussed with me.
