August 22, 1950

Dear General Smith,

While we congratulate you on your new and important position, and congratulate ourselves and the country in having you as Director of the Central Intelligence Agency, I want to tell you that we are sorry at the same time that you are leaving Governors Island and the Command of the First Army.

So many of your men come constantly to our Club, and are among the finest type of our soldiers.

Please don't forget our Club, perhaps you may have a chance to speak of it to some of your friends in Washington.

In this very critical time it will be very busy and greatly needed by our Enlisted men, and we shall appreciate any interest that may be shown in its welfare.

With kind remembrances and best wishes,
