Dear General:

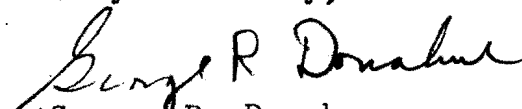

Please accept the congratulations of our organization on your recent appointment.

Several of our members, including myself, served in Army Intelligence and we well know the need for a man of your broad acquaintance with Communism in your new post.

Under separate cover, I am sending you a descriptive pamphlet on our Association.

And very respectfully, I make the suggestion that if we can be of any assistance to you, please feel free to call on us.

Very sincerely,

George R. Donahue

Dear Mr. Donahue:

Thanks sincerely for your thoughtful note of congratulations and good wishes on my appointment.

I am grateful for your offer of assistance and shall not forget it. This will undoubtedly turn out to be as difficult as anything I have yet undertaken and I will need all the support and assistance I can get.

With best wishes to you and your associates,

Sincerely,

W. B. SMITH
