Mrs. Catherine Mills  
Post Telephone Exchange  
Fort Jay, New York

Dear Mrs. Mills:

Your thoughtful card with its cordial good wishes was very gracious and is deeply appreciated.

I want to take this opportunity, also, of thanking you and the other operators most sincerely for the courteous, helpful and efficient service which I have continually received from the telephone exchange during my tour as First Army Commander.

With kindest regards,

Sincerely,

W. B. SMITH
