MEMORANDUM TO GENERAL SMITH

The State Department relayed the following message to you last night from the American Embassy in Paris:

"Captain Alexander de Marenches will arrive Idlewild Airport 10:00 AM local time, October 18th, Flight 00-9-L Air France."

Last night I talked with Captain Bressler who is serving temporarily in the capacity of First Army Foreign Liaison Officer during the absence of Colonel Prince. Bressler volunteered to meet de Marenches at Idlewild this morning and offer him any reasonable assistance.
