Dear General Smith:

I am in receipt of your November 20th reply to my letter of the 4th inst. and enclose herewith check in the sum of eighty-five dollars in full payment for the male Bulldog pup in question.

He is such a handsome, healthy and amiable fellow, it seems a shame that he didn't "stay put" and I feel confident that eventually he will find an enthusiastic new owner.

I hope you will have much success with your field dogs this season.

Sincerely

Jos de la Torre Bueno
