Deputy Director's Staff Meeting

22 December 1950

1. Discussion of the establishment of a scientific division in HICOG and agreement that CIA would continue to do this for the time being.
2. Discussion of status and functions of OSI. Mr. Jackson said that he wished to go into this in some detail prior to issuance of the new statement of functions.
3. It was pointed out that representation of CIA on the NSC senior staff should be approved by the President. Mr. Jackson said that he would reach a decision on this by the first of the year.
4. The Director said that he had some changes which he wished to make on the Marshall letter which he wanted to discuss with Mr. Jackson and myself.
