13 July 1951

PRC meeting called off as there were no projects.

HR70-14

[REDACTED]

Agreed with Mr. Wisner that the 9:00 Staff Meeting could be pushed ahead to 8:45 so that he could talk with his assistants before the Deputies Meeting.

Discussed with Mr. Wisner the question of additional space in this building.

Col. Baird called about taking Training from under DDP. Talked to Mr. Wolf who stated that Baird was still directly under the DCI and would have under him overt and covert deputies. Any problems should be discussed with Mr. Wolf or Mr. Dulles.

Held a meeting with [REDACTED] Ed Saunders and [REDACTED] of PC to set up procedures for handling PC projects.

Discussed [REDACTED] case with Mr. Wolf and sent him a telegram from the DCI.

[REDACTED]

[REDACTED]

[REDACTED] called to say that Gen. Cabell will send a lot of comments on the Atomic paper and may want to discuss it before it goes out. Told [REDACTED] to have paper produced with Air Force comments and DCI will then decide whether to discuss or send it out.
