Director's Meeting

Monday, 16 July 1951

HR70-14

The DCI dictated a cable in reply to General Ridgway's cable. The whole trouble probably arises from JCS papers sent to Ridgway which we have not seen. DCI states we will continue to operate as at present. Mr. Jackson feels that it is not Ridgway's fault but that of the JCS. The cable will therefore be sent to Ridgway, "More in sorrow than in anger". The DCI instructed Mr. Wisner to add anything to the cable which he considered necessary.

The DCI has a meeting with Admiral Stevens at three o'clock today. He will try to get General Bolling to attend and ask them both what is really going on in relation to the above paragraph.

Mr. Jackson asked whether the DCI considered that the comments in the Daily Bulletin were too much on the estimating side. The DCI stated that someone in ONE should monitor OCI production. [redacted] believes this should be [redacted]. It may be necessary to include some kind of disclaimer in the Bulletin to the effect that comments are on a spot or current basis and do not purport to be an estimate.

that either Mr. Jackson or Mr. Wisner should talk with the Secretary of Interior. Mr. Wisner suggested that he write a note for the DCI's signature to be hand carried by Mr. Wisner to the Secretary. The DCI agreed.

Mr. Wisner reported that we had received a letter from Mr. Fischer on the Free Russian Fund, Inc. The Director does not want to see Fischer but does want to see George Kennon as soon as he returns.

Mr. Wolf reported that Mr. Trubee Davison had reported for duty along with
