Director's Meeting

Wednesday, 22 August 1951

Mr. Jackson mentioned the Pearson article. The DCI feels that we have been to nice to him in the past and that we should no longer play ball.

Mr. Jackson commented upon the efficiency of FBIS. He feels that it is a real service of common concern.

Mr. Jackson reported that Mr. Gordon Gray was trying to get [redacted] DCI feels that this is probably the best solution.

Mr. Dulles stated that we might be able to get [redacted] The Director thinks that he would be a pretty large order for us to swallow at this time.

[redacted]

Mr. Dulles has a report [redacted] on the continuation of the Philby investigation.

Mr. Dulles mentioned NSC 26 and gave the Director a memorandum from Mr. Matthews, State Department. The DCI stated that all we needed was for NSC to put a stamp of approval on the State Department letter. He further stated that we were not justified in spending a lot of money purely on the basis of the State Department letter alone. The DCI will call Mr. Matthews.

Mr. Dulles reported that [redacted] has arrived and wishes to pay his respects to the DCI. The DCI agreed to see him.

Mr. Dulles reported that [redacted] is due to report for duty on September 17. The Director stated that [redacted] will be Director of Communications with the rank of Assistant Director.
