Director's Meeting

Monday, 26 November 1951 HR70-14

The DCI told Mr. Wolf that he had dined with the Surgeon General who had agreed to make the necessary contacts with Defense and the Services so that we would get some preferential treatment. He asked Mr. Wolf to prepare any necessary letter or memorandum for his signature.

Mr. Dulles mentioned Dr. Chadwell's statement of functions for OSI. It was agreed that nothing should be done pending the survey of OSI and Mr. Dulles will return the papers to DD/A.

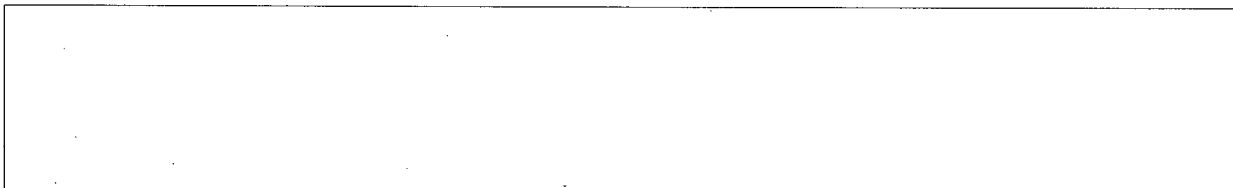

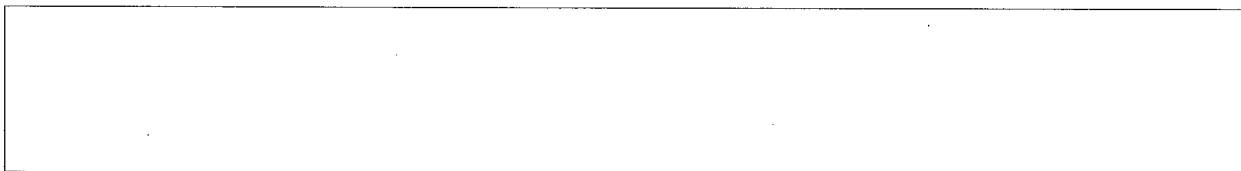

Mr. Dulles said that Abbott Washburn would like the Director to attend a large dinner in December for G. D. Jackson, Mr. Luce, General Clay, etc. The DCI said he could do it on the 17th of December.
