MEMORANDUM FOR THE RECORD

SUBJECT: Minutes of Special Group Meeting, 7 September 1961

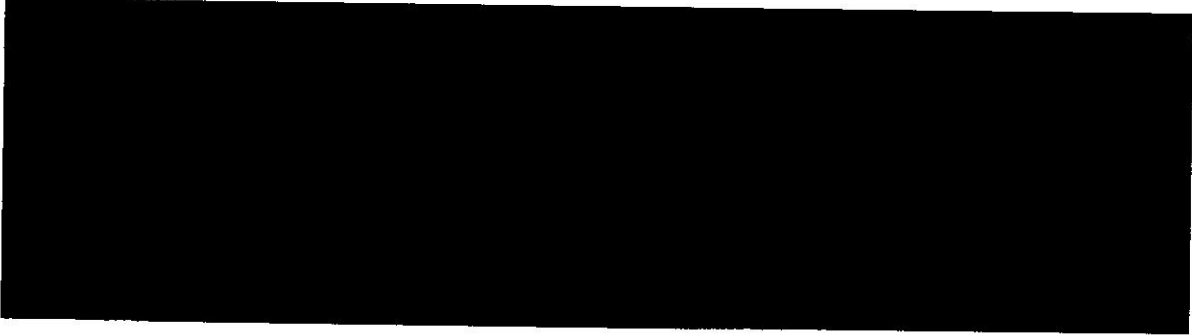

PRESENT: General Taylor; Mr. Johnson; Mr. Gilpatric, General
Lemnitzer, Admiral Anderson; General Cabell (items
1-3), Mr. Bissell

✓ 5. Berlin

The Group noted the second progress report of the Special Working Group, dated 6 September. With regard to the other paper from the Working Group, of the same date, the Group felt that the general proposals outlined were probably not very promising. The Working Group was to be asked, however, to continue its efforts to develop action to achieve the desired ends.
