17 July 1964

MEMORANDUM FOR: Director of Communications

SUBJECT: Memorandum of Appreciation

I would like to take this opportunity to inform you that OC-SPS,  in the person of Mrs. Adelaide Hawking, recently gave several days of her time to assisting us in a highly sensitive matter of considerable interest to the Clandestine Services. Her contribution was of signal merit and enabled us to maintain the required degree of security and compartmentation for this operation.

R. A. MAC MILLAN
Chief, FI/
