PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the NPIC Photographic Analysis Group.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training area or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

Neya Ammunition Depot Southwest is located approximately 3.5 kilometers (km) from the center of Neya (Figure 1).

The depot covers approximately 450 acres and contains a storage area with 79 ammunition storage buildings and a support area with an administration building, a barracks, and 17

support buildings (Figures 2 and 3).

This installation is covered on 10 KEYHOLE missions between July 1961 and December 1964. Comparative analysis reveals no change in facilities and light activity throughout this period.

DESCRIPTION OF INSTALLATION

Railroad Service

A spur from the Neya-Yelenskiy rail line serves the depot.

Road Service

An all-weather road from Neya serves the depot.

Administration and Troop Housing Area

Area D contains an administration building, a multistory barracks, and 17 support buildings.

Ammunition Storage Area

Area F is secured and contains 79 ammunition storage buildings. Some of these buildings are probably revetted.
