attempting to extricate Third Army units on the east bank near Suez. At least 42 Israeli aircraft flew strike missions about dawn against targets in the Suez City area. Tel Aviv claims that 15 Egyptian aircraft were shot down as the Egyptian air force attacked Israeli positions in the southern sector. At about 1340 local.

3. An Israeli military spokesman said the Egyptian force in the southern sector of the east bank is isolated and completely surrounded. He said the Egyptian force consists of about two and one-half divisions of the Third Army, which he credited with 200 tanks, 60 artillery battalions, and some infantry units. He claimed that these units were running short of fuel, ammunition, and water.

LATE ITEM

18. According to Cairo radio, Egypt has informed UN Secretary General Waldheim that Israel is impeding UN observers from reaching their positions. Egypt claims Israel is doing this so it can continue to violate the cease-fire.
