obtaining a specific Israeli guarantee not to attack Syria or Jordan? Arafat sees this as an "open invitation" for the Israelis to strike at the Palestinians in Lebanon, rather than protection for Syria or Jordan.)

c. Is it true that the U.S. will agree to a clause making any "self-rule" timetable contingent upon "cooperation" by the inhabitants of the occupied territories?

5. This information is also being provided to the Assistant to the President for National Security Affairs $\sqrt{(U)}$
