MEMORANDUM FOR: Assistant for Information/DDA  
FROM : [REDACTED]  
Assistant General Counsel  
SUBJECT : Review of Air America History

1. This Office is presently preparing a submission to the Bureau of Retirement, Insurance and Occupational Health, Office of Personnel Management, concerning several requests for creditable service for employment with Air America, Inc. In connection with one such claim Mr. Louis Panzer, on behalf of his client Mr. Hickler, has requested the opportunity to read the Agency history (722 pages) prepared on this proprietary.

2. This history, as I understand it, was prepared under the auspices of the DDA and is now located in the Office of General Counsel. It is requested that your Office review this history to determine what information, if any, still remains classified. I hope to submit our final answer to OPM in early June. A review of those portions of the history describing the acquisition and early development of Air America, Inc. by that time would be appreciated.
