Hi Everyone,

After a lot of back and forth on what to do for the Bin Ladin anniversary, it was decided to stick mostly to stuff that's already been released on cia.gov. So we ended up taking the CIA Museum story that's currently on cia.gov, and adding in a timeline and a few unclass paragraphs from your history blog on the ODNI release, to make a new article for our Featured Story section.

I thought you all might like to review the story, so here it is. If you can get any feedback you have to us by COB today, that would be great. We plan to publish tomorrow so [redacted] can do her tweets on Sunday.

Thank you! Hope you're all having a good week! (Did any of you bring your kids to work today?)

Take care,
