I asked [redacted] to write this out for you. The main concern is to assure Uncle Louie that we aren't doing anything behind his back.

Do you think this could have a connection to the Otepke - Saurwein axis?

Also how can we check w. DIA, CIC etc. in DOD to be certain they have no finger in this pie?

MEMORANDUM FOR: Chief, SR/OPS

SUBJECT : Reported Resettlement of Zch/OUN/B Headquarters from Munich to Washington, D. C.

1. It has come to our attention, via AECASSOWARY/29, that members of the leadership of the Zch/OUN/Bandera visited in the United States in October and November of 1963 in connection with plans to resettle its headquarters from Munich to the United States. Those who visited were: Stepan LENKAVSKY, Yaroslav STETSKO, and Ivan KASHUBA. According to various Zch/OUN people, including Ivan KASHUBA, the organization is to have a "luxurious" information center located in Washington, D. C., and ~~that~~ more than ample funds are already available for this purpose. The group further plans, according to Mr. KASHUBA, to publish an English-language journal in the United States.

2. Resettlement of the group from Germany to the United States is reportedly being done with the approval of "American Intelligence" and U. S. Congressional circles. According to reports, the U. S. Department of State has created certain obstacles which are delaying the actual move, but these obstacles are expected to be removed with the help of American Intelligence and friends of the Zch/OUN in Congress.

3. Among those to be resettled in the United States reportedly are Yaroslav STETSKO and his wife, and Ivan KASHUBA.

4. The above information, if true, is alarming. We feel an obligation to prevent such a move, or at least to warn all concerned that they are dealing with assets controlled by the opposition and that the individuals named above have a record of anti-American activity.
