CONTACT REPORT

March 18, 1954

SUBJECT: CONTACT WITH CASSOWARY 15

1. Prior to his departure for NY for a meeting with Cass 2, CO saw Cass 15 for a brief meeting. Cass 15 picked up CO near CIA buildings. In the vicinity of these buildings, Cass 15 asked CO whether CIA occupied all those buildings (L,K,J,I) and whether it was true that CIA had about 30 buildings in Wash. CO answered--"I don't know who all occupies those buildings--Army, Navy, etc. As for the 30 other buildings, I know nothing." Here Cass 15 said he read in the paper that there were 30 buildings in Wash occupied by CIA. CO said, "If it was in the paper then maybe its so." Nothing more was said on this topic.
2. CO gave the copy of the S/W letter from Carthage 12 to Cass 15 to show Cass 2. This was the original. CO told Cass 15 he wanted the letter back so it could be photographed and asked Cass 15 not to have it photographed in NY under any circumstances. (No assurance he won't do this)
3. CO told Cass 15 that according to [] , the document being circulated by Bandera people and allegedly sent to the Ukraine by the ZP , was sent to the Ukraine by Carthage 12 and 13. CO instructed Cass 15 to ask Cass 2 about this because of the control aspects of it (how could this document be circulated in the Ukraine from HQ there if Lvov area cut off; how could the courier who brought it out if he isolated: Did the MGB give it to him?) CO also wanted to know if Cass 2, in his pouch to Homeland include this document in 1951? 1952? Did he write this on basis of his numerous talks with Americana officials to show his progress to Koval and which since has been interpreted as US Policy?
4. CO also asked Cass 15 to find out from Cass 2 whether any other letters were received from Carthage 12 via any other addresses which Cass 2 might have given Carthage 12.
