Information Provided CIC by Lutzig AMMER

REF: 100-204, 1 No 35 etc.
L 302 FETT 201

It is requested that you take up with CIC the question of obtaining from them the material which Lutzig AMMER provided by way of Heinrich SCHMIDT and Maxime SCHMIDT. Inasmuch as the exchange of information between them and the CIA is no longer going on, there is no reason why they could not supply this material to us. As CIC surely knows, AMMER is our responsibility and this information on AMMER is therefore of interest to us.
